

# Do something important

*"You probably hear this all the time Red Bubble has changed my life. I thought you should know...People have respect for me as an artist now. I have respect for myself.*

*One day, I came across Red Bubble, something I'd been looking for my whole life long. RedBubble is my watering hole, the place i go to renew my soul.*

*I don't know where I'd be today without Red Bubble. It seemed to me that all other avenues to expressing my art had dried up and I was at a loss as to what to do."*

We get constant, insane feedback. RedBubble is in the absolute top-tier of most addictive websites (members come back 3 times per week and see 30 page views each time). And the reason is REDBUBBLE CHANGES PEOPLE'S LIVES. We don't need to market.
